

## INVITATION TO PROFESSIONAL WORKSHOP & PRESENTATION >>

### JANINE BENYUS AUSTRALIAN TOUR >>

Bought to you by The Natural Edge Project Townsville 2006

Supporting a vision for a  
Centre of Excellence in Tropical Design

Wednesday 17 May 2006

# Sustainable Cities of the Future “Inspired by Nature”

A professional workshop and presentation for business, industry, development, community and education representatives by international biomimicry expert, Janine Benyus ‘one of the most imaginative people on the planet’. Invitation only.

**\$50 registration fee.**

**Time:** 2:00 pm to 5:00 pm

**Location:** Southbank Convention Centre  
Palmer Street, South Townsville

**Register to Attend:** Contact TCC on 4727 9520  
or email [sustainable@townsville.qld.gov.au](mailto:sustainable@townsville.qld.gov.au)

Janine Benyus is a life sciences writer and author of six books, including her latest, *Biomimicry: Innovation Inspired by Nature*. An educator at heart, she believes the better people understand the genius of the natural world, the more they will want to protect it.
